KEY COMPONENTS OF ROOM SELECTION FOR DOUBLES, SINGLES & GROUP LIVING

A. REGISTRATION/LOTTERY NUMBERS:
All students planning to live on campus for 2009-2010 must register for housing between January 17 and 28, 2009. The registration number you receive via email notification on February 2, 2009 will serve as your lottery number during the Douglass Residential College Room Selection process.

B. ROOMMATE PREFERENCES:
All students applying for housing and not signing back, with the exception of juniors and seniors interested in a single, MUST have a roommate to select a room during Room Selection on Friday, February 20, 2009.

Students without roommates will select a room according to their class year at the end of Room Selection Day. Please note that those without roommates will be required to select a space with another solo resident if available. Students looking for roommate(s) are encouraged to use the Roommate Click service provided by the university to assist them in this process. Roommate Click can be found at http://rutgers.roommateclick.com/.

Roommates who are away for the spring 2009 semester (i.e. Study Abroad) must have completed the registration and online housing application process and will provide written permission for another student to select a room for them.

C. SINGLES:
Singles are for Douglass Seniors and Juniors only. There are singles available in all residences, except Henderson. Juniors and seniors interested in a single should consider a roommate option in case a single is not available.

D. NINE-MONTH HOUSING:
Students interested in being able to stay on campus during breaks (Thanksgiving Break, Winter Break, Spring Break) should consider a Henderson Apartment.

Room Selection Sign-up Date is Friday, February 20th. Location: PAL Building

*Completed Housing Agreement(s)/Contract(s) are required - students can fill out the form online but must print it out, and sign it in ink.
