KNIGHT EXPRESS

A Knight Express account is a cash-free alternative that works much like a debit account. You specify the amount of money you want deposited into your Knight Express account. To make purchases, simply present your RUconnection ID Card at any participating location and the cost of your purchase will be electronically deducted from your account. Your account balance will be displayed every time you use Knight Express.

There's No Limit

To open a Knight Express account, you must make an initial deposit of at least $50.00. There is no maximum account balance, you can deposit as much money as you want.

You can add money to your account anytime you like. Additional deposits of $25.00 or more can be made throughout the year at any university cashier's office or in the Knight Express office if you would like to use your Visa to make additional deposits.

The Cost Is Clear

Fees associated with the Knight Express account are minimal. A $10.00 non-refundable account management fee will automatically be deducted from your initial deposit each semester.

Account Information

At the beginning of the Spring semester your Knight Express account will receive credit equal to the initial deposit made in the Fall semester - a charge for this credit will appear on your Spring term bill. In addition to this credit, any remaining balance from the Fall semester will be transferred to your Spring account. Cancellations or changes will be accepted during the first two weeks of each semester provided the account has not been used. You will use the RUconnection ID Card for both your debit plan and your meal plan. All refunds require that you have a minimum account balance of $25.00.

Note: Cash withdrawals cannot be made from your Knight Express.
